together*

PUBLIC HALL

HOME OF GOVTECH STARTUPS, INVESTORS, AND PUBLIC SECTOR PIONEERS

Welcome to PUBLIC Hall, powered by Huckletree. With the world-famous address of Whitehall in Westminster, discover the home of GovTech with startups, investors and public sector innovators transforming public services one idea at a time.

Neighbouring No.10 and the Ministry of Defence, our Westminster space is set in one of the UK's finest Grade II-listed buildings in the heart of Whitehall. History meets modernism for the space's interior, reflecting the bold new wave of innovators reimagining the public sector.

Here, you'll find the brands that are truly revolutionising the public sector industry. Harnessing the power of GovTech, these companies are changing empowering societal change for the better.

PUBLIC

Cinapsis 

 **rebellion**

civic future.

“Civic Future has attracted first-class talent to join our team, and will launch our Fellowship and Academy next year. If it’s true that we get the politicians we deserve then let’s deserve better.”

Munira Mirza
- Chief Executive at Civic Future

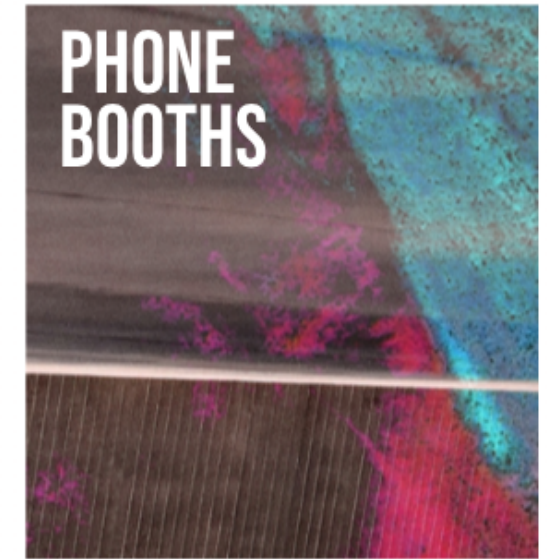

AMENITIES

PUBLIC Hall offers a variety of zones to suit each working style, from flow-state to collaborative and informal team meetings to all-important pitches. Take a moment to reflect on a new idea on the terrace overlooking the Thames, and then hone in on it at the Library.

All of our spaces are purposefully designed to help you think and create.

Membership Packages

Discover Memberships made for the new world of work.

In the heart of Westminster

PUBLIC Hall is part of the iconic Whitehall Court, located in the heart of Westminster, London's policy making district.

It is a 5 minute walk from either Embankment or Westminster station

Rebellion Defence builds groundbreaking AI products to transform National Security. Founder Oliver Lewis set up the team's London base at PUBLIC Hall in August 2019, in 2 years the London office has grown from 1-30 taking on 3 studios within PUBLIC Hall. In September 2021 Rebellion announced closing investment of \$150million with a valuation of \$1billion.

MEET OUR MEMBERS

When Caura started at PUBLIC Hall in August 2019 they were developing an app to take the hassle out of car ownership in stealth mode. A year later and they launched with huge success, another year on and they closed \$4.2 million Seed Investment and now have a team of 25+.

Finance Director Bhavin Kotecha said: "Being able to attend exclusive members events and meet industry leaders like David Magliano who spoke to us about building our brand has been extremely valuable to us ... Being able to build a community of like-minded people who want to change the world has sharpened our focus and boosted our missionism, and we are excited to continue in this journey with PUBLIC and Huckletree"
